

MBASS30v3 can be personalized

When the MBASS30v3 is switched on a screen containing the serial number and manufacturer information is shown for 5 seconds.

The four lines containing the manufacturer information can be changed by us for personalization according to your wishes before shipping. A device showing your name, your company name, your web address or the like certainly also has an effect regarding anti-theft protection and product value. In case of disposal of the device the text in these lines can be changed by us again.

If you want to use this free service, please fill out the four lines of up to 25 characters each. Common special characters like "@" or "." are possible. You can do this using Acrobat Reader to save the filled form and send it back to us via e-mail.
